

Semi Driver Dies Near Nodine; Possible Medical Problem Before Crash

Tuesday, 29 October 2013 08:22

A truck driver is reported dead after a rollover crash on I-90 near Nodine yesterday...

Investigators say the driver may have had a medical emergency. The semi reportedly crashed through a fence and ended up on a county road. Passersby broke a window to get to the driver, to give him CPR, but he died by the time a medical helicopter got to the scene.
