

Seems like it was just yesterday that construction of a new Northside

elementary school got started. Well....it was somewhat. But new roof talk already? That's what Superintendent, Randy Nelson says is in the plans. And soon.

[\(Click for Audio\)](#)

Two stories of walls are already up as is the complete heating and cooling system. Nelson says if plans stay on track as they are now, you'll hear school bells ringing there by next fall.
