

Bluff Road Shut Down By Another Landslide

Sunday, 15 August 2010 20:49

THE ROADBLOCKS ARE BACK AT THE FOOT OF GRANDAD BLUFF...

TOO MUCH RAIN HAS CAUSED PROBLEMS AGAIN WITH BLISS ROAD, WHICH TAKES TRAFFIC UP AND DOWN THE LA CROSSE SIDE OF THE BLUFF. ANOTHER LANDSLIDE HAS FORCED THE CITY TO SHUT DOWN THE ROAD. SIMILAR SLIDES HAPPENED DURING FLASH FLOODING PERIODS IN 2007 AND 2008, LEADING TO EXPENSIVE REPAIRS. THE CITY IS EXPECTED TO INSPECT THE WASHED-OUT PART OF BLISS ROAD TODAY.
