

School Bus And Cars Crash Near Winona, Hwy 43 Shut Down

Wednesday, 11 December 2013 12:22

A chain reaction crash involving a school bus has shut down a state highway near Winona for several hours...

Highway 43 between Winona and I-90 has been closed since the accident, at around 7 a.m. A bus from the Winona district reportedly was sideswiped, causing the bus to cross into the opposite lane and hit a car head-on. Just one student was riding the bus at the time, and the child was not seriously hurt.
