

## Harmon To Be Tried For Shooting Death Of Girlfriend

Thursday, 12 December 2013 12:40

---

Six months after a shooting death in Jackson County, the suspect in the shooting is going to be scheduled for trial... A judge has found probable cause to try Michael Harmon of Black River Falls for the June murder of Angela Nelson. Harmon claims he shot Nelson by accident during a struggle at their apartment, but an investigation suggests the shot was fired from a distance. Harmon's bond in the Jackson County jail remains at half-a-million dollars.
