

Shooting Victim Identified

Monday, 30 August 2010 14:51

A La Crosse shooting victim has been identified. La Crosse police say You Moua is the 19 year old woman who was shot to death in a yard on the southside of La Crosse Sunday night. They say the shooting of Moua apparently followed a connected shooting in the 700 block of Ferry street earlier in the evening in which no one was hurt. Police say the shootings and the death of Moua is a domestic-related crime and is still under investigation.
