

Sparta cops have done it again. Another Wanted Wednesday poster, another

arrest. Sparta police started the Facebook campaign about 2 months ago. The old style wanted posters put on the social media website indicate who they are looking for and why. Complete with a trusty mug shot. 4 out of 5 wanted people are now in jail. That includes Wednesday's bust of 22 year old Jeremy Bush. Wanted for not keeping up with his parole agent and drinking. All conditions he was given after being found guilty in 2012 for 2nd degree sexual assault of a child.
