

I-90 Change Takes Effect Tuesday, April 15th

Tuesday, 08 April 2014 14:24

If you use I-90 to get to La Crescent.....some major changes are

coming according to the Minnesota DOT.

Dresbach Bridge Construction Manager, Mark Anderson told the media that motorists should follow westbound I-90 and take Dresbach exit 273 B & A to eastbound I-90 as shown in green. This detour is approximately 6 miles and will add approximately 10 minutes of travel time. The ramp, Traveler Information Center, and boat launch will reopen in 2016.
