

Donation Box Stolen

Tuesday, 28 September 2010 06:35

Time is running out for good people to make up for the actions of bad people. Someone stole the donation box that was located near the Vietnam Veterans Moving Wall that has been on display in Riverside Park. Now patriotic people are being encouraged to drop off their donations this morning. The Moving Wall is scheduled to be dismantled in La Crosse this morning. Donations are being accepted until 9am. No word on how much the thieves got away with, and so far there have been no arrests.
