

Wisconsin Department of Transportation

Work is beginning June 9th in Sparta on Highway and 71 according to the

Wisconsin Department of Transportation. Dan Kleinertz, WisDOT project manager tells us that's a bad intersection that's seen some fatalities over the past 10 years.

The existing stop controlled intersection will be replaced with a \$2 million roundabout. Another roundabout could be coming to Sparta soon near Highway 27 and River Road. Three are being built in Prarie Du Chien this summer as well.
