

They are at \$1.8 million.....and hope to close the books on 2010 with a huge day today.

Jen Dobrenz of the Great Rivers United Way says Friday ends the yearly campaign drive and the goal is \$2 million.

She says she feels confident that the goal will be reached as people use this time of the year to make tax deductible donations in preparation of the coming tax year. And the fact that 60 programs will use the funds collected.....they all have employees as well that donate and know first hand where the money goes.

The office in Onalaska will be open all day Friday.
