

Boiler Bonks at Franciscan Clinic in Holmen

Monday, 17 January 2011 10:44

Yes, it is Martin Luther King Day. No, that's not why the Holmen Franciscan Skemp clinic is closed today. The clinic will be closed the entire day because of what the medical group says is a heating malfunction. Patients who need to be seen today are being asked to travel to the Onalaska walk-in clinic which opens at 5:00 p.m. this afternoon or call the Franciscan Skemp Healthcare clinic in La Crosse.
