

## **Drunk Several Times, Caught Once**

Monday, 21 March 2011 17:49 -

---

La Crosse police probably could have busted John Megathy any number of times for drunk driving. That's according to a tipster who tells police he just couldn't let the 57 year-old drive around drunk anymore. So he called. And cops arrested Megathy on Saturday afternoon driving on the northside. Apparently very drunk; they say he blew a .312 on the breathalyzer.
