A long-time La Crosse School Board member and area doctor has died, after an accident while playing racquetball.

Sources tell us Dr. Charles Miller hit a wall during a game at the Y-M-C-A on Saturday and was knocked unconscious. He had severe head and neck injuries, and died on Sunday. Miller was retired from Gundersen Lutheran. He had served as a school board member in La Crosse for many years, including the early 90's when several members were recalled for approving busing and school boundary changes.
