They are coming back to Lacrosse to celebrate 25 years later. The La Crosse Catbirds, often referred to as the model franchise of the Continental Basketball Association, have scheduled a reunion on July 3rd in honor of the 25th anniversary of its first championship series.

Former Coach, Mike Mashak, says all players and staff have been invited.

All players and team personnel associated with the Catbirds throughout their run in La Crosse are invited to the July 3rd event being held in Riverside park as a part of Riverfest. Mashak says if you had anything to do with the Catbirds....then your invited, too.
