

The Board of Education for the School District of La Crosse approved the hiring of Dr. Troy Harcey as the Associate Superintendent of Instruction at its meeting Monday night. Harcey will assume the position immediately, replacing Randy Nelson who was promoted to Superintendent of Schools on July 1st.

Harcey has been with the School District of La Crosse since 2000, serving as a teacher, associate principal and principal at Logan Middle School. In addition, Harcey has been the district's supervisor of health and physical education since 2009.

The district will look to fill Harcey's current position in the coming weeks.
