

Man's Body Identified

Monday, 08 August 2011 10:51 -

La Crosse police are now releasing the name of the man found dead near a north-side park last week...

The body of 40-year-old Anthony Ducharme of La Crosse was identified by his family this weekend. Police discovered Ducharme's body on Thursday near Red Cloud Park. Investigators believe Ducharme died after taking drugs given to him by others. Four persons are now suspected of trying to hide Ducharme's body, and a fifth could be charged with supplying the drug.
