

Feehan Won't Run Again

Wednesday, 23 November 2011 11:00 -

All 29 seats on the Lacrosse County Board are up for re-election next year and don't expect to see Bill Feehan for 3rd district signs next year. Just shy of sitting on the county board for 2 years...Feehan says he's filed the paperwork not to run again. It all started with the downsizing of the county board.

Back in May, the board voted 19-10 to shrink from 35 districts to 29. Feehan says he hopes people that have thought about running in the past.....finally do.
