

Petition Drive Against Administrator Begins

Monday, 05 December 2011 12:52 -

A referendum petition drive begins today in La Crosse. Citizens for Responsible Government and the local Tea Party are banding together to circulate a petition that would keep the city from adding a City Administrator position

Dave Drewes is with CRG. He hopes to collect 35 hundred signatures on the anti-city administrator petition. Meanwhile, the city council as a whole votes on the issue tomorrow.
