

The La Crosse County Tavern League has made a donation to the UW-La Crosse Veterans Memorial Field Sports Complex for the 4th year in a row. The group of local small business owners has made a year-end gift of \$2,500 to the UW-L Foundation to recognize veterans and further support the new athletic complex. Al Trapp, the President of the UW-L Foundation, says along with these gifts, the La Crosse County Tavern League supports the campus and its students in many other ways.

The gift could end up doubling.....it qualifies to be matched with \$1,500 from the Tavern League of Wisconsin and \$1,000 from the 3rd District Tavern League.
