Winona police have arrested 2 out of the 3 people that stole several thousands of dollars worth of merchandise from the Winona Fleet Farm store back in November. 26 year old Kyle Olson and 25 year old Matthew Symitizek, were arrested in La Crosse. Police are still looking for 26 year old Kyle Davidson. The three men face possible felony theft charges in connection with the thefts.

Police say the men filled a large hockey duffel bag with electronics, video game consols, phones, b.b. guns and a \$700 crossbow and walked out of the store and into a waiting car. The items were valued at over \$3000.

The case has been referred to the county attorney's office.
