

Voted ID Events To Be Held

Sunday, 01 January 2012 20:42 -

4 events will be held next week to shed some light on the state's new voter ID law that went into effect Sunday. As Jane Klekamp tells us, The League of Women Voters, AARP & the La Crosse County Aging Unit are all in on the educational sessions.

In addition to education about the law the League, AARP and the Aging Unit will be available to offer assistance to voters who want to get the ID to vote but may not quite understand how, when and where to begin. La Crosse County Clerk, Ginny Dankmeyer will attend each event to offer advice about the new law and to answer questions. They will be held in Onalaska, Holmen, La Crosse and West Salem.
