A 23-year-old beauty queen from Kenosha has won the Miss America pageant in Las Vegas. Laura Kaeppler won the pageant Saturday night after strutting in a white bikini and black beaded evening gown, singing opera and answering a question about whether beauty queens should declare their politics by saying Miss America represents everyone. Miss Oklahoma Betty Thompson came in second while Miss New York Kaitlyn Monte placed third. Kaeppler wins a \$50 thousand scholarship and gets the title for one year.
