

Slap on Rear Sends College Student to Jail

A Viterbo student probably picked the wrong butt to slap this week-end. Cops say 22 year-old Andrew Kiel gave one of the La Crosse PD's female officers a whack on the backside with his hand. Trying to be jovial, apparently, while getting liquored up in a bar early in the morning. "Good job," he told the cop. Not sure if he felt the same after she cuffed him and hauled him to lockup. Now Kiel faces a charge of fourth degree sexual assault.
