

La Crosse Council Will Vote on New Garbage Regulations

Tuesday, 07 February 2012 07:49 -

The overriding idea behind new regulations on garbage pick-up in La Crosse is to make things look nicer. To that end, the rules would restrict how long garbage cans could be put out. Can't leave them on the curb for a couple days. Can't sit them on the edge of the alley. With some exceptions, says city public works director Dale Hexom.

La Crosse city council votes on the new garbage rules this week.
