

Jackson County Man Missing

Wednesday, 08 February 2012 12:34 - Last Updated Wednesday, 08 February 2012 12:35

Jackson County authorities are looking for 20 year old Gene Cloud Jr. and are asking for the public's help. He was last seen January 25th when the vehicle he was operating slid in the ditch in Millston Township, Jackson County. Cloud fled from the scene on foot and was chased by law enforcement before getting away. On January 27th, he was reported as a missing person by family members. It is possible that Cloud was picked up by somebody and given a ride, but the family says he should have made contact with someone at this point.

Gene Cloud Jr. is a Native American male, 5'8", approximately 140 pounds, black hair, brown eyes, last seen wearing a black leather jacket, black hooded sweatshirt, jeans and black tennis shoes. Cloud was in possession of a 6 month old male Daschund puppy; brown in color short hair. It is believed that the puppy was wearing a sweater.

Anyone with information regarding Cloud or the missing dog is encouraged to contact the Jackson County Sheriff's Department or the Ho-Chunk Nation Police Department.
