

Approval of New City Garbage Rules Likely Delayed

Wednesday, 08 February 2012 13:46 -

New regulations on garbage in La Crosse were meant to help pick-up neighborhoods a little. But opposition by neighborhood groups and landlords have put adoption of those rules apparently on hold. The city council is poised to delay approval of the new garbage and recycling rules for a month. A special neighborhood revitalization committee will weigh in on possible changes. Among the more contentious rules, one that would mandate a dumpster for any rental that had eight or more bedrooms.
