

Student Arrested For Death List

Thursday, 01 March 2012 11:25 -

Seems as though bullying was behind the arrest of a 16 year old Sparta student Wednesday.

Kass says the list consisted of 26 names and mentioned bringing a handgun to school. Kass tells WIZM news that the student made the list after he was being bullied at school.

Since taken into custody, the student is being detained outside of Monroe County while he undergoes a mental health evaluation.
