

Three La Crosse circuit court judges are among those who signed Walker recall petitions. A new report finds that a total of 29 county-level judges across the state signed petitions to recall governor Walker. 16 of those are from Milwaukee. The report finds Ramona Gonzalez, Todd Bjerke and Dale Pasell signed petitions. Judge J. David Rice in Monroe county also signed a petition as did judge Micheal Rosborough in Vernon county. Apparently, signing the petitions does not violate judicial ethics rules.
