

Absentee Voting Underway

Tuesday, 24 April 2012 22:17 -

With as many elections Wisconsinites have faced over the past year and a half...guessing a voter turnout for the upcoming recall elections is somewhat up in the air. La Crosse City Clerk, Teri Lehrke, says she has her finger on the election pulse.

Absentee voting began Monday for governor, lieutenant governor, and four state Senate seats. There are primaries for all six posts, and the winners will face the Republican recall targets in early June.
