

Every four years the Viroqua Cross Country team travels to Hawaii to participate in a cross country meet hosted by James Rubasch, a coach who grew up in Vernon County in southwest Wisconsin. Each athlete works hard to pay his or her own way. This year the Viroqua cross country student athletes are building a new fundraiser of a different sort, the Aloha Bike Tour to be held on Saturday, August 18th. Enter Jenny Leum. (LEE-UM)

Leum says the bike ride will do many things for the runners: involve them in the community, raise funds for the planned trip, encourage team spirit and unity, and promote their active lifestyle. You can sign up by going to aloha bike tour dot com.
