

Feds And Army Involved In Sparta Search Warrants

Monday, 07 May 2012 10:23 -

Quite the showing Friday in Sparta.....as 8 local policing agencies served search warrants on two Sparta homes on Wolcott Street. Even the La Crosse County Bear cat showed up. Seems as though two perps arrested on drug, weapons and stolen property charges had security cameras set up on the outside of their homes to see who was there....making for a dangerous situation. Sparta Police Mike Kass explained to WIZM news that even the U.S. Army showed up.....a rarity .

Kass says they arrested 33 year old Charles Poirer and 39 year old Darren Phillips on various counts. As the investigation continues, Kass feels more arrests will be made.
