

After surviving a crash that killed her husband, a Vernon County woman is facing a homicide charge...

Sharon Gray of De Soto was scheduled for a bond hearing today, on suspicion of driving drunk and going off Highway 82 around 7 o'clock last night. Gray's husband, Jason, died after being thrown from the car. Officers believe he was not wearing a seat belt. The car missed a curve, hit a fence, and then caught on fire. Sharon Gray had to be rescued from the driver's side of the car. The crash happened east of De Soto.
