His picture was plastered all over Facebook for a week. Now, Jeremy Trussoni is behind bars . Trussoni was arrested last night after a short foot pursuit with La Crosse Police Investigators in the area of 1000 Avon Street. Trussoni was charged with Armed Robbery, Bailjumping, Obstructing and a local warrant. Trussoni is the suspect in a June 11th armed robbery of a local cab driver. With the help of the La Crosse Police Department Facebook page and a local Crime Stopper tip, Investigators were able to get a general location of Trussoni that led to his arrest.
