The manhunt for two escaped prisoners in Monroe County has taken another twist. A resident of Tomah called police this morning around 5 to report that his car was stolen and Sheriff Pete Quirin says they are certain it was stolen by the two wanted men.

Quirin says they have no idea where the two men fled too but one has relatives in Mauston. Police are looking for 18 year old James Misleveck and 29 year old James Newman. The walked away from a minimum security prison in Black River Tuesday night.
