

Fugitives Seem to be Heading South

Where a couple of fugitives from Black River Falls wind up is anybody's guess. But the latest reported sightings of James Misleveck and James Newman have them in the Hillsboro/Elroy area near the Juneau and Vernon county lines. The two men walked away from a minimum security facility in Black River Falls on Tuesday night. Since then, it's been a string of car thieving, kidnapping, gun stealing and, at this point, somehow eluding police. Police say the men should be considered armed and dangerous. They're driving a stolen black 1996 Chrysler Concord.
