

In honor of our WWII Veterans, the Collings Foundation is bringing the national Wings of Freedom tour to La Crosse today.

Hunter Chaney says the tour, here until Wednesday, features a vintage Boeing B-17 Flying Fortress, Consolidated B-24 Liberator and North American P-51 Mustang, all on display in La Crosse at La Crosse Municipal Airport. Visitors are invited to explore the aircraft inside and out - \$12 for adults and \$6 for children under 12 is requested for access to up close viewing and tours through the inside of the aircraft. You can also ride in one of these war machines as well. WIZM'S Dan Deicher, whose afraid of heights, and Mitch Reynolds, will be going up in the B-17 later today.
