The driver takes off after slamming his truck into the side of a LaCrosse Kwik Trip. At about 7:30 Friday night a silver pickup crashed into the Kwik Trip on Losey Boulevard. A bit of a scare for an employee and some merchandise fell off the wall. Otherwise, the damage was limited to some minor structural damage to the outer wall. After leaving the scene Friday night the driver Thomas Pesik turned himself in at the police department on Saturday morning where he was hit with a laundry list of charges. The 41 year old LaCrosse man is expected to make his first court appearance on Monday.
