

Mitt Romney could visit La Crosse this week...but we're not sure just yet.

La Crosse County Republican Party chair Julian Bradley expects to have more information today about a planned stop by the Romney tour bus this Thursday. Bradley says the bus probably will make a noon-hour stop in La Crosse, but he hasn't heard yet who will be on the bus. Could be Romney, or running mate Paul Ryan, or both, or neither one. Campaign schedules appear to be changing since Wisconsin Congressman Ryan was added to the ticket this weekend.
