

Erickson Joins Boys and Girls Club Wall

Tuesday, 20 April 2010 12:25 -

Every spring for more than 20 years, Terry Erickson used to publicly introduce new members of the La Crosse Boys and Girls Club Wall of Fame.

This spring, it's Erickson himself who's getting the honor. He headed the club from the early 70's until retiring just a couple of years ago. And Terry can still be amazed when people come up and thank him for the club's work. Terry Erickson will be inducted into the Boys and Girls Club Wall of Fame on May 21st. The 25th annual induction dinner will be in the Cargill Room at Logistics Health.
