

They Won't Throw Out (Jeff) Wood

Wednesday, 21 April 2010 08:22 -

Jeff Wood will NOT be kicked out of the Wisconsin Assembly for drunk driving.

Early today, the Assembly voted overwhelmingly to censure Wood for his O-W-I arrests, instead of expelling him. The Chippewa Falls lawmaker starts a jail sentence next week for an arrest near Portage. Wood also was charged with an O-W-I in Tomah last fall. That case is still in court. Assembly members were trying to wrap up an all-night session when the expulsion bill was brought up for debate around 6 o'clock this morning.
