

Open Houses Coming for Comments on Badger Coulee Line

Wednesday, 10 October 2012 08:52 -

Open houses coming up this month for people to comment on two proposed routes for a vast power line project that will run from La Crosse to Madison. Xcel energy and American Transmission Company will hold the first of five open houses October 23rd at the Onalaska Stoney Creek Inn on the Badger Coulee Transmission Line Project. Part of the process of gathering testimony from the public on the line
