

Why Wait To Get Flu Shot

Wednesday, 17 October 2012 11:38 -

Why wait to get your flu shot. That's what Gunderson Lutheran's, Heidi Hackbarth asks as the flu season is slowly creeping up on us.

[\(Click for Audio\)](#)

Plus, she says, it protects others. If you get the flu, you may transmit it to someone who is at high risk for flu related complications.
