

One of La Crosse's high school football teams continues a historic run of sorts tonight. Nobody has Logan high school favored to win when the team goes on the road to Marshfield to play a state quarterfinal playoff game. But the Rangers haven't been the favorite in its first two playoff games, either, and is now getting ready to play in the quarterfinals for just the second time in school history. The Rangers started the season with a 2-4 record and have had to win every game since to keep their run going. In the process, running back David Hellerud is also making his mark, rushing for a school record of more than 15 hundred yards on the season.
