A double-murder trial in La Crosse County could happen in May, but that's not definite yet.

The trial of Jeff Lepsch is tentatively planned for a week, beginning on May 6th. The starting date and length of the trial could be settled later this month. Lepsch is charged with the shooting deaths of Paul and A-J Petras at May's Photo in La Crosse. The father and son were killed in the store on September 15th.
