

Police Chase Leads To Van Crash Into Print Shop

Sunday, 16 December 2012 21:47 -

One driver was a little too speedy while driving near the Sir Speedy print shop on Rose Street Friday night.

A stolen van that was being pursued by La Crosse police crashed into the shop at about 9 o'clock at night. The van driver ran off, and hasn't been picked up yet. The hole left in the front wall because of the crash has been covered up with a tarp.
