

Guns At School Friday

Wednesday, 19 December 2012 09:21 -

There will be Guns At School in La Crosse Friday. At least that's what La Crosse School Superintendent, Randy Nelson, and local police were told.

[\(Click for Audio\)](#)

A band, with that title, is playing a show in La Crosse Friday night....though messages on Facebook made it sound like, to some students, there were actual guns being brought to school Friday. After talks with students who brought this to the attention of school officials and police, Nelson said fears of this happening should be put to rest.
