

A familiar name may drop his name into the mayoral ring. According to a release this afternoon, Downtown Main Street executive director Tim Kabat is expected to announce he will enter the La Crosse mayoral race.

The 46 year old Kabat has scheduled a news conference for 10 a.m. tomorrow morning at the DMI office located at 500 Main St.

That brings the number of mayoral candidates to 9....including new comer....27 year old Viterbo Grad, Dustin Bagstad.
