

State Representative Steve Doyle, received appointments to four Assembly

committees today for the 2013-14 legislative session. The committees include: Corrections, where he is the ranking member, insurance, transportation and tourism.

Doyle says each of these committees has a direct impact upon our local economy, and he says his focus during this session will be on creating well-paying jobs. Doyle says he believes that these committees provide an excellent opportunity to advocate for these goals.

Doyle served on the transportation, insurance and tourism committees during the 2011-12 legislative session.
