The State Patrol has now released the names of victims in a deadly weekend crash on the Mississippi River bridge at Prairie du Chien...

Lorraine Siegenthaler of McGregor, Iowa was killed on Sunday when her car crossed the center line on the bridge and hit a van head-on. The second driver, Roberta Lear of Prairie du Chien, is at Gundersen Lutheran in La Crosse with life-threatening injuries. Three passengers in the Lear van had minor injuries. Investigators haven't figured out why Siegenthaler's car went into the other lane. They've ruled out alcohol as a factor.
